

Checking out Library Books on the Nook

*To download ebooks to a Nook, you must install a free program called Adobe Digital Editions, and get an Adobe ID. To get started, go to this link: <http://adobe.ly/geauxADE>. Instructions for installing Adobe Digital Editions can be found at this link: <http://bit.ly/xHdDNr>

Begin by typing in www.mytpl.org in your browser's address bar

Highlight **Online Catalogs**, click **Ebooks & Audiobooks**

This should take you to a page like this. You can search for particular titles, or browse under Ebook Fiction or Ebook Nonfiction.

With the Nook you can check out ebooks in Adobe EPUB and Adobe PDF format, but not Kindle format. EPUB works best. When you find a book you would like to check out, click "Add to Cart" next to the EPUB or PDF version.
