Terrebonne Parish Main Library makes 10 years in April of 2013. In order to celebrate, we are hosting new programs and providing brand new services system-wide. It's going to be an exciting year, and we want you to be a part of it. To see what's new, read our monthly newsletters, like us on Facebook, or visit our website at mytpl.org. You won't want to miss out!

zinio™
The world's largest newsstand
is now on your library's website!

You can now read library magazine subscriptions for FREE online or using most handheld devices. All you need is your library card number and a valid email address to get started!

But before jumping in, check out the user guide for easy-to-use instructions at mytpl.org/zinio. This link also directs you to the website for registration and downloading. Enjoy!

Need Your Library?

We have an **APP**
for that.

Your library. Online. All the time!

With the myTPL app you can access your library, anytime. Search for books, DVDs, audiobooks, CDs and more. Need to request or renew an item? No problem, just choose "My Account". See something interesting? Scan an item anywhere to see if the library owns it.

We've also included access to our Overdrive catalog. No need for a separate app!

You can also find contact information, hours and locations. All this and more is available at your fingertips. The myTPL app is available for Apple, Android, Windows, and BlackBerry devices. Download the app by searching **mytpl** in your app store.

For more information visit mytpl.org/jwc, email rlecompte@mytpl.org, or call 985.850.5313.
