Newsletter of the Terrebonne Parish Library System

Main | Bourg | Chauvin | Dulac | Dularge | East Houma | Gibson | Montegut | North

Need a creative space to work, look no further than The Creative Lab. Located in the Terrebonne Parish Main Library, the Creative Lab offers patrons 15 and older a wide array of options. Patrons have access to equipment, materials, and tools to help express their creative side. A few of the machines available for use include sewing machines, sergers, lightboxes, cutting machines, 3D printers, and our newest addition, a Glowforge. Sessions are available for registration, which begins one week before the event. If you'd prefer to call to register, dial 985-876-5861, option 2. For more information and to watch instructional videos visit the Terrebonne Parish Library Website.

STARTING STITCHES

Looking to work with a fun group of people with like interest? Then Starting Stitches is just for you. This educational social group focuses on individual and peer-taught hobbies including sewing, embroidery, cross-stitching, knitting, and crocheting. Space is limited to 4 persons due to COVID, please call to register.

WHAT'S NEW FOR SEPTEMBER

MENTAL HEALTH RESOURCES

The Terrebonne Parish Library System has created a new blog comprised of helpful links and contact information to aid in one's personal mental health. This blog is not a stand-in for professional medical advice, but a resource to direct patrons to the different options available to them. If you feel overwhelmed or unsure, know that seeking help from a qualified professional is always a good option. You can find these helpful links on the Terrebonne Parish Library Blog, or the Terrebonne Parish Library Facebook Page links provided below.

MASK UP

Due to the Louisiana government mask mandate, all patrons are required, regardless of vaccination status, to wear a mask while inside the library. All patrons who visit any of the Terrebonne Parish Libraries must keep a face covering on, for the duration of their visit. We thank you for your cooperation.

Board Member Spotlight

Mary Royston

Library Board Member

You are an emeritus member of the library board and president of the Friends of the Library. How did you get involved with the library?

I was appointed to the library board because a council member years ago wanted school libraries to be represented. I became active with the Friends group because the group has wonderful programs that support the library.

What is your favorite book? Who is your favorite author?

Of course, I love to read. Mysteries are my favorite. Fern Michaels, Lisa Scottoline, Heather Graham, and Sandra Brown are my first choices.

You have traveled the world. Do you visit libraries?

Ken and I travel the world by cruise ships. When we board a cruise ship, we locate the library to get the first choice of books. We visit libraries everywhere we go. In Pakistan, I peeped in a library to see only men with books. The men just stared at me because women do not venture out in that country.

Why should people join the Friends of the Library?

All funds generated by the Friends group go to the Terrebonne Public Library for programs and activities. The Friends sponsor many programs such as the summer reading program, RELIC, Books for Bikes, etc. The used book sales are the main fundraisers. Being a Friend allows you early entrance to book sales, newsletters, and support of your library.
