WHAT'S NEW FOR MARCH

DOWNTOWN HOUMA MAKERS MARKET

Yes! The Downtown Houma Market is getting re-branded as the Downtown Houma Makers Market. Looking to become a vendor, a new flyer will be made available soon for any and all interested in participating. Formerly located at the South Louisiana Seed Store, the Downtown Houma Makers Market is now partnered with the Terrebonne Parish Library. Held every Tuesday, weather permitting from 3:00PM - Dark. No cost for vendors who grow, create, or produce. To become a vendor, please fill out the application and return it to Kati Callais by email: kcallais@mytpl.org by fax-985-876-5864 or in-person at the Main Library, 151 Library Drive. 

COMMUNITY GARDEN

Spring will be here soon, making it the perfect time to garden. Come and participate the community garden located at the Main Library. The Library Community Garden has been made possible through the Live Healthy Houma Coalition of Agencies with special thanks to the St. Francis Vegetable Garden, Churches United Food Bank & LSU AgCenter. To volunteer on workdays, visit stfraancisvegetablegarden.org or contact Cheryl Skinner @ 985-991-3177 or sfvg@tcufoodbank.org. All produce harvested from the garden are donated to the Terrebonne Churches United Food Bank to help feed the community.

PASS CHRISTIAN PUBLIC LIBRARY

The Friends of the Terrebonne Public Library is happy to announce the generous donation of \$1,600 from the Friends of Pass Christian Public Library. Pass Christian is one of nine branches in Harrison County, along the Mississippi Gulf Coast. Through the months-long Friends of the Library book sale, the group managed to procure a sum that they so graciously chose to donate. Wendy Allard, head librarian, expressed sympathy and understanding at just how difficult it can be to rebuild, repair, and return to normalcy after such a devastating event. The proceeds from this donation will be used towards repairing and restoring the library. It is the goal of the Terrebonne Parish Library to have repairs completed as quickly as possible to restore the library and to someday pay it back and pave it forwards to others in need. "The kindness of people and organizations comes through at a time of need. We are sincerely grateful and appreciative of the citizens of Pass Christian, Mississippi, and their Friends of the Library," says Mary Cosper LeBoeuf, director of the Terrebonne Parish Library. "One hundred percent of the Friends funds go to the library's programs and activities. We are grateful to have funding to help with the restoration."

The Friends of the Terrebonne Public Library is a 501(c)3 non-profit organization, established in 1985, that provides fundraising and support for the Terrebonne Parish Library.
