BLACKOUT POETRY

Apr 13, 20, & 27 @ 6 pm (East Branch)

April is National Poetry Month! To celebrate, our East Branch will host BLACKOUT POETRY. Flex your creativity in this mashup of visual and literary arts. Blackout or Erasure Poetry is a form of found poetry where the creator removes words from texts like newspaper clippings or old book pages to create something new. Some creators simply black out the words they do not need, while others create drawings around them and make them illegible in other ways, leaving behind a few choice words to create a poem, and a visual art piece to go along with it. What will you create?

THROWBACK BOARD GAMES

Apr 9 | All day (Gibson Branch)

Step back into the dark ages... before video games existed! From classic strategy battles to laugh-out-loud party games, it's your chance to unplug, challenge your friends, and see how people survived without controllers. No screens, no lag—just pure, old-school fun. Roll the dice and let the games begin!

Visit www.mytpl.org for complete event details, locations, and to register, or use your device's camera to scan the QR code to the right. Registration opens about a month in advance and is required where indicated.
