SENIOR PLANET FROM AARP

YouTube 101

YOUTUBE 101
Jul 6 @ 10 am (Main Library)

You may associate YouTube with silly videos of cats, but it's much more than that. Every day, people around the world watch more than 1 billion hours of video, including classic movies, how-to videos, news clips, and more. This presentation will give an overview of the free content available on YouTube and show you how to navigate the site with ease. You'll also get tips for viewing and sharing others' videos and learn about uploading your own.

BE PREPARED

TECH TIPS FOR DISASTER PREPAREDNESS

Jul 13 @ 10 am (Main Library)

Did you know that technology is an essential part of being prepared for emergencies and natural disasters? In this session, we'll explain how technology can help you prepare. We'll discuss and demonstrate useful features of the FEMA and Red Cross apps, including setting alerts. Additionally, we'll review built-in smartphone features that can come in handy in the event of an emergency and explore how to keep phones and essential devices charged during a prolonged power outage. Finally, we'll discuss how you can use social media to get emergency and other important information from local and national authorities.

About Senior Planet

Senior Planet from AARP classes, articles, videos, and activities help older adults learn new skills, save money, make new friends, and so much more.
