Brigid Laborie

North Branch Manager

How long have you worked for TPLS?

Since November of 2013, so just short of three years now.

What is your favorite part of the job?

I love finding new and exciting programs that bring the community together to learn and have fun!

Who is your favorite author and why?

If I had to choose one, I'd say right now my favorite author is Joe Hill. I love a good horror novel, and he comes up with some very unique and scary plots.

Where is your favorite place to read a book?

In bed, with my cats.

If you could be any character in fiction, who would you be?

Pete the Cat. No matter what happens to him, in the end, "it's all good."
