# Staff SPOTLIGHT

## Janet Chauvin Chauvin Branch Manager

### How long have you worked for TPLS?

I have worked for the library system over 16 years.

### What do you love most about the library?

I love to see the smiling faces of children receiving their first library card.

### A special library genie has granted you the chance to meet three of your favorite writers. Who do you wish for, and why?

I would love to meet Janet Evanovich, because I'm sure she has a fun personality, and Victoria Kann, because I just love the Pinkalicious books. I'd also have to meet Danielle Steele. Where did she find the time to write all those books and raise 9 children? I need to know.

### Do you have a favorite library memory?

Visiting the book mobile was my favorite when I was in elementary school.

### You can choose any fictional place to spend your summer vacation. Where do you go and why?

Emerald City, to follow the yellow brick road.
