Summer Reading Program

The 2023 Summer Reading Program will host the theme *Reading Colors Your World* until July 29.

From the day you sign up, every five days that you've read at least 20 minutes you will receive a reward. Simply mark off the day on the reading log when you've met the goal or create an account on the Beanstack app.

Once you've read enough days, bring your log to any one of the seven library branches to claim your prize.

For the first five days, you will receive a Library yard sign and prizes while supplies last, along with an entry into the big prize raffle. With every five days read after, you will earn a prize and another raffle entry.

The raffle for K-6th grade children is a bicycle and helmet, cosponsored by the Kiwanis Club. The prize for teens/adults is a gift basket.

The Summer Reading Program activities and performers are funded through the Friends of the Terrebonne Public Library.
