Naomi Hurtienne Magola

Youth Services Librarian

How long have you worked for TPLS?

I started working for the library in November 2013.

Do you have a favorite library program?

That's a toughie-there are so many to choose from! I do have a favorite for each season, though. In the Summer, I love all the performers-the musicians, magicians, puppet

shows, and more. In the Fall, my favorite new program is our Comic Con that we host in September. I always have a blast at our annual Noon Year's Eve party that we have every December. And in the Spring, Miss Cherie's Memorial Touch-A-Truck is the winner!

What do you like about the summer reading program?

My favorite thing about summer reading is having the opportunity to get so many people excited about reading. We see everyone from the itty bitties to the grown-ups challenge themselves to read more.

Who is your favorite action hero and why?

Without a doubt it's Wonder Woman. How can you not love a strong, independent woman who's only weakness is that she cares too much? The golden Lasso of Truth doesn't hurt, either.

What is your favorite thing in the children's department and why?

My favorite part is getting to work with so many great kids and their grown ups. Kids always have the best book recommendations and are the most honest critics.
