# Staff SPOTLIGHT

## Craig Schreiber

North Branch Clerk

### How long have you worked for TPLS?

I started working at the Main library on the same day the new building opened.

### What are some of your favorite library programs?

I like all of our programs that are targeted towards small children. I especially enjoy being Santa at the North branch. If we can capture their imaginations early on, we can make life long readers out of most of them. They are more likely to return to the library as they grow older.

### You are going on a cross-country road trip this summer and can ride with any fictional character that you choose. Who are you taking with you?

No question: Jack Reacher. I am not planning on any trouble during my trip, but it is best to be prepared.

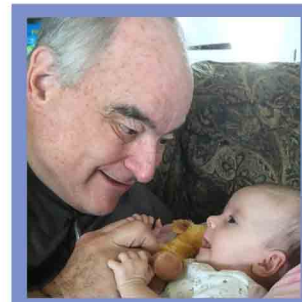

### Can you name some of your favorite hobbies outside of work?

My wife complains that I read too much. We respectfully disagree. I also enjoy traveling, both domestically and abroad. I especially enjoy visits to historical sites.

### We hear you play a mean game of chess. What are some of your other favorite games?

I enjoy Jeopardy, and I like to think I am pretty good at it. I also like Scrabble when challenged by a good player.

But currently, the thing that brings me the most joy in my life is grand-baby number three, Olivia Quin Blanchard (seen above).
