Staff SPOTLIGHT

June Eschete Technical Processing Clerk

How long have you worked for TPLS?

The first time was for over seven years. I was Dulac Branch's first manager. Then in 2001, I ran into Mary Leboeuf, the Library Director, and she asked, "When are you coming back to work for the library?" So I came back, and it's been about seventeen years now.

What do you love most about working at the library?

Learning something new every day! I'm a cataloger in the Technical Processing Department, so I review records and information pertaining to what I catalog. I learn interesting facts and fiction, so it's a continuous learning experience. You can't get any more reward than that.

If you could change places with any animal, for one day, what would you be and why?

A Lioness. They're ferocious, and I wouldn't want to be anything low on the food chain.

Summer is heating up at our libraries! What books are at the top of your Summer Reading list?

"Adjustment Day" by Chuck Palahniuk, "Sometimes I Lie" by Alice Feeney, and "Robin" (a biography about Robin Williams) by Dave Itzkoff, for starters. Being a cataloger, my reading list is a book, in volumes.

This year's SRP theme is "Libraries Rock." Who are some of your favorite rock stars of year's past?

Well, you have to go back to when rock was young for the best, like The Beatles, The Stones, The Eagles, Led Zeppelin, Queen, Genesis, Journey, Foreigner...I could go on.
