2023 Summer Reading Program JUNE

2023

Summer Reading Program Guidelines

From the day you sign up, every five days that you've read at least twenty minutes you will receive a reward. Simply mark off the day on the reading log when you've met the goal. Once you've read enough days, bring your log to any one of the seven library branches to claim your prize.

For the first five days, you will receive a Library yard sign and PRIZES (while supplies last), along with an entry into the big prize raffle. With every five days read after, you will earn a PRIZE and another raffle entry.
